News from Babette

Welcome to August!

Thank you so much to all who completed the survey given out last month. We appreciate having your feedback. We will take your comments into consideration as we prepare for the future.

Congratulations to the four residents who won the raffle!

We have some exciting updates coming for residents of both Garden & Terrace.

The Pathlight HOME Resource Center is now open! As you may have noticed, Goodwill closed their Job Center located at Maxwell Terrace. Pathlight HOME has opened a Resource Center, where you will find many services. Inside the Resource Center, you will find Pathlight HOME's Employment Center, Marketplace, and Community Services Case Management. We are always looking for ways to meet your needs.

As a reminder, please wear your face mask in the leasing office, resource center, and case manager's office.

We thank you for helping keep us safe.

I WEAR MY MASK FOR YOU!

- Play safely, but do not let them lick your face!
- Keep pets and their supplies away from the area where you prepare, serve, or eat food.
- Practice good pet hygiene and clean up after pets properly.
- Clean bites and scratches immediately with soap and water and seek medical care, when needed
- Be aware that children under 6, people with weakened immune systems, and older adults.
